CERTIFICATE

SYSTEMCERT
Zertifizierungsges.m.b.H.
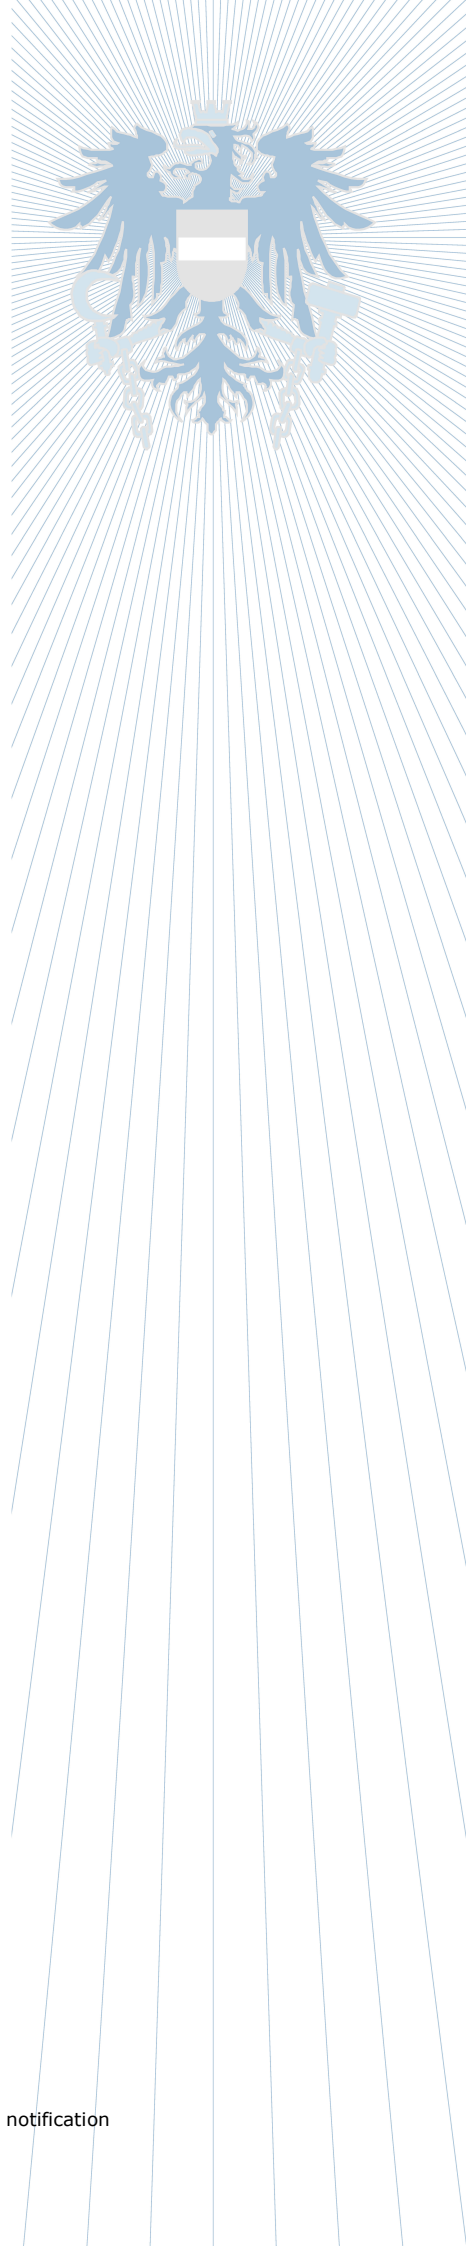

The certification body certifies that

Zwick / Roell

ZwickRoell Testing Systems GmbH
Flugplatzstraße 5
8280 Fürstenfeld
Österreich

has implemented and maintains a quality management system in the sector of:

distribution and sales, development, design, production and manufacturing and service of material testing systems.

A certification audit has verified that this quality management system fulfils the requirements of the international standard

ISO 9001:2015

transferred on:	November 7th, 2019
extended on:	January 29th, 2026
valid to:	February 12th, 2029

The validity of this SystemCERT certificate requires annual surveillance audits and a re-certification audit every three years.
